

Coastal Bend Council of Governments

**In Partnership with
U.S. Census Bureau-Denver Region**

Cordially Invite You to

The Road to 2020: How Your Community Can Prepare

**10:00am to 12:00 pm
Thursday, August 17, 2017**

2910 Leopard Street, Corpus Christi, TX 78408

The U.S. Constitution requires that each decade, we take a count—or a census of America’s population. The 2020 Census will count every person living in the Nation once, only once, and in the right place. In 2020, the Census Bureau is implementing innovations to make it easier than ever to respond to the census. For the first time, people will be able to participate in the census online, by phone, or on paper. We are also building a more accurate address list and automating our field operations—all while keeping information safe and confidential.

Come and learn what your community needs to do now to get ready. This meeting will provide an early overview of 2020 Census innovations, timeline, critical Geographic program deadlines, and the Community Partnership and Engagement program outreach plans.

Who should attend? City managers, city/county intergovernmental affairs, planners, county , council of government staff and anyone who will take a lead in getting their city/county ready for the 2020 Census.

Please RSVP here: [How Communities Can Prepare](#)
