5.5 Restrictions on Communication

Respondent, or any agent or representative of Respondent shall not undertake any activities or actions to promote or advertise their qualifications or submissions to any member of WFSCB, WFSCB's Board of Directors, WFSCB's CEO Council or their respective staff persons, at any time between the date of release of the RFQ and the date of award of a contract by WFSCB. This restriction extends to "thank you" letters, telephone calls, emails, text messages and any contact that results in the direct or indirect discussion of the RFQ and/or proposal submitted by Respondent. Violation of this provision by Respondent or any agent of Respondent may lead to disqualification of the proposal from consideration.

PART 6.0 – PROPOSAL EVALUATION AND SELECTION PROCESS

6.1 Evaluation Process

Proposals will first be screened to determine if they are responsive. For proposals to be considered responsive and advance to the evaluation phase, the following requirements must be met:

1. The proposal must have been submitted by the RFQ deadline.
2. Electronic submissions must be a single PDF file and contain e-signatures.

3. If submitting in paper format, all forms that require execution must contain original wet signatures. Respondent must also provide an electronic version as a single PDF file to be transmitted via e-mail.
4. The proposal must be for the specific services requested and described in the RFQ.
5. The proposal must be submitted in the outline and order described in the RFQ.
6. If requested, copies of resumes, licenses and/or certificates must be included.

Proposals not meeting the above requirements or with an average final score of 69 points or less will be treated as non-responsive and disqualified from further consideration. Proposals meeting the above requirements and receiving an average final score of 70 points or more are not guaranteed an award.

WFSCB may use Board members, staff members, independent evaluators, or a combination of all to evaluate and rank proposals.

WFSCB will base its selection on qualifications & experience, proposed work plan, cost/price information, and demonstrated ability/references. Respondents may earn additional points if they are currently certified as a HUB by the State of Texas Comptroller of Public Accounts.

After evaluation, an award may be made on the basis of the evaluation and ranking without discussion, clarification, or modification, or WFSCB may enter into negotiations with qualified Respondents.

The WFSCB will make a good faith effort to award contracts to HUBs.
